I take this opportunity to extend a warm welcome to all those who wish to seek admission in Dr. Hari Singh Gour Vishwavidyalaya, Sagar, which is established as a Central University In January 2009.

The University established in 1946 is the sixteenth University of the country and the first University of Madhya Pradesh. It has a very distinguished feature, which I wish to share with you. This is the University established by a great visionary Dr. Hari Singh Gour whose personal record is as glorious as that of this University, is the realization of his great vision and his personal contribution. Set-up in an idyllic situation, it provides a panoramic view to all those who set foot on this land and also provides him an opportunity to realize the vastness and the infinite. It thus frees him of all restrictive and inhibitive forces, which narrows down his vision.

The vision with which this University was established by Dr. Hari Singh Gour has seen its fulfillment on many spheres but his greatest desire to bring this University at par with the best Universities of the world like Cambridge and Oxford, is now our responsibility.

I take this opportunity to invite all those students who are bold and courageous and are ready to meet the challenges to come and join this University and through serious pursuance of study and maintenance of strict discipline make his/her whole hearted contribution towards the fulfillment of Dr. Gour's dream of making this University another greatest center of learning of the world.

I invite all the students who wish to seek pure knowledge and good amiable atmosphere to join this University and work to the best of his/her ability and capacity.

I wish you all success.
